scheme 2023

Spend your Summer 'LIVE BY THE LAKE'

An exceptional opportunity for students of the performing arts.

Westacre Theatre is proud to run an annual 'Bursary' scheme, allowing training actors the opportunity to spend their summer getting paid to follow their dreams! This year our theatre company is casting for three fabulous shows which will run through our 'Live by the Lake' season in July and August. We are looking to fill some amazing roles in these productions, as well as provide experience with young people's workshops, front of house duties and the technical side of theatre productions.

A weekly grant is paid to successful applicants, with free accommodation for those who need it. You and your fellow students will be able to enjoy the ambience of village community, our fabulous pub, and our amazing scenery. The scheme is open to undergraduates on, or recently graduated from, recognised performing arts courses.

Many students who have spent their summers with us are now working as professionals in the industry and we couldn't be prouder!

Taking full advantage of the professional facilities and the highly experienced theatre-makers on hand will ensure you derive huge benefit from full and creative days in rural West Norfolk. Summer performances are on our beautiful and highly equipped outdoor stage, under a canopy, by the lake (be prepared to be upstaged by the swans!)

Preliminary audition dates are **Sunday 16th April & Sunday 14th May**
